

Stanford | Pre-Collegiate Studies

Online Academic Enrichment Programs • Grades 8–11

Explore Your Passions This Summer

Stanford Pre-Collegiate Studies advances the education of academically talented, intellectually curious, pre-college students. Our programs cover advanced subjects rarely taught in high school, offering students a chance to challenge themselves by diving deep into cutting-edge topics.

Stanford Pre-Collegiate Summer Institutes

Engage in advanced topics not commonly taught in high school. Choose from 30 online courses in computer science, philosophy, business, and more.

Program Length: 2 weeks

Tuition: \$2,500 (financial aid available)

Stanford Summer Humanities Institute

Explore the big questions at the heart of the humanities in online seminars led by Stanford professors and graduate students.

Program Length: 2 weeks

Tuition: \$3,000 (financial aid available)

Stanford University Mathematics Camp (SUMaC)

Join an elite group of talented high school students from around the world for intensive online study in advanced mathematics.

Program Length: 3 weeks

Tuition: \$3,250 (financial aid available)

Application Deadline: March 10, 2021
